

DIAGNOSTIC TESTING NATIONWIDE

Comprehensive Lab Network

- ✓ CALIFORNIA
- ✓ ARIZONA
- ✓ HOUSTON
- ✓ ILLINOIS
- ✓ MISSOURI

ABOUT US

Our lab network is an expert provider of high-quality clinical lab testing with an extensive test menu serving a variety of medical specialties. We have a team of trained and experienced technologists and scientists working with the latest laboratory technology.

Our team is committed to providing our clients not only with reliable test results, but also with a great customer experience. Our personalized customer service helps you to provide the best care for your patients.

Processes customized to your needs: We set you up for efficiency with a custom portal designed for your needs, a transport process that works for you, and test results the way you want to see them.

Experts are available to answer your questions: Our highly trained and experienced staff are happy to talk with you to review the nuances of test results, answer questions, and discuss any concerns you may have. Our team is a valuable resource that can help you improve patient outcomes.

OUR ADVANTAGE

- ✓ Accurate results delivered in 24 to 48 hours for most tests
- ✓ Personalized & friendly service
- ✓ Modern, easy-to-read reports
- ✓ Cost effective medical diagnostic testing

OUR SPECIALTIES

- ✓ Senior health and wellness testing
- ✓ Women's health testing
- ✓ Pain management testing
- ✓ Behavioral health testing
- ✓ General health and wellness testing
